Jackie Bibby, *Vice President*
Carin Murphy, *Website Administrator*
Dakota Karthan, *Graphic Designer*
Matt Heggen, *Treasurer*

BOARD MEMBERS

Jan Kuhl
Dr. Shannon Hood

LOCAL IMPACT

TAKE YOURS HOME-BUDDY PACK

The TYH Foundation began a new partnership in 2020 with Oak Park Elementary in Des Moines Iowa to provide food for students and families in need. 100% of students at Oak Park are eligible to receive free lunches. The buddy pack program is designed to help students who battle hunger and adversity when not at school. TYH is currently filling back packs of food on the weekends for 20 students but hope to expand the program to reach more students in the 2021-22 school year. \$50/ month helps provide weekend food for an Oak Park student.

NATIONAL IMPACT

PANCREATIC CANCER RESEARCH

TYH has raised over \$20,000 for Johns Hopkins' Sol Goldman Pancreatic Research Center, whose efforts focus on early detection and DNA related issues. The TYH story was showcased by Dr. Adam Duerfelt at the 100th Anniversary of the American Cancer Association.

GLOBAL IMPACT

SUKUP SAFE T HOMES

TYH has begun a new partnership this year with Sukup-Safe T home for their great work providing disaster relief and protection for communities world wide. They have developed a way to provide homes and storm shelters against earthquakes and hurricanes by using the same galvanized metal used in grain silos to build homes that can be shipped affordably, built with basic hand tools, and shelter and protect up to 60 people during any future storms. They are also used as schools, hospitals, and everyday homes and assembled as whole communities. Our goal is to raise \$15,000 dollars to build two TYH sponsored Safe T Homes, and to organize trips to help assemble them on location.

SAVE THE RAIN

TYH has partnered for 13 years with Save the Rain and Rotary International to provide 4 Tanzanian communities with a sustainable water source. Raising over \$24,500, the TYH Foundation has helped build 4 rain collection systems at primary schools, 50 home collection systems and planted 500 Morenga trees. TYH continues to donate to Save the Rain efforts to provide children with clean water for life.

TODAY'S PROGRAM

8:45 am..... Welcome

9:00 am..... Tee Off

Pick Up Lunch at the TIN CUP as needed

1:45 (approx.)..... Silent Auction Closes

Announcement of Golf Winners, Silent Auction and Raffle (stay is optional)
