

2021 Timothy Yates Heggen Humanitarian Executive Summary

TYH Foundation Purpose The Timothy Yates Heggen (“TYH”) Humanitarian Foundation (“Corporation”) is organized to (1) promote pancreatic cancer awareness, (2) support children facing threatening life adversities, and (3) nurture compassion, courage and community locally and globally.

TYH Foundation Background Timothy Yates Heggen died of pancreatic cancer at 18. Although young, Tim had a view and understanding of the world beyond his years. Tim believed that happiness is a product of compassion, and to be happy people and society must promote compassion through practicing love, patience, tolerance, and humility. During Tim’s courageous battle, he practiced compassion. His family and friends decided to continue his practice and created this foundation to help others facing life-threatening adversities and also nurture a community that fosters optimism, strength, and compassion. The foundation was re-established in 2015 with support from Drake University Law Center. Articles of Incorporation under the Iowa nonprofit corporation statute were filed on September 30, 2015. The Corporation’s headquarters is in Ankeny, Iowa. All members serve as unpaid volunteers. Efforts of the board are directed at developing a fund-raising strategy and events to meet the TYH mission.

TYH Foundation Activities

Present 2020-2021:

Take Yours Home Buddy Pack Program Partnership with DMPS Oak Park School: The TYH Foundation continued to partner with Oak Park Elementary (DMPS). 100% of students at Oak Park are eligible to receive free lunches. The TYH Buddy Pack program is designed to help students who battle hunger and adversity when not at school.. \$50/ month helps provide weekend food for an Oak Park student. Vessel Golf donates all backpacks. During the 2021-2021, TYH donated \$5500 to feed 20 students on the weekends.

Pancreatic Cancer Research: TYH raised over \$20,000 for Johns Hopkins' Sol Goldman Pancreatic Research Center, whose efforts focus on early detection and DNA related issues. TYH donates annually to Johns Hopkins Sol Goldman Pancreatic Cancer Research Center and continues to advocate for pancreatic cancer early detection.

Sukup Safe T Homes to Haiti Project Partnership with Go Serv Global: TYH has begun a new partnership with Go Serv Global and Sukup. TYH is dedicated to building Sukup Safe T Homes in Haiti. Sukup designed and produces homes and storm shelters to protect families against earthquakes and hurricanes. At the 6th TYH Golf Classic in 2020, TYH raised \$7500 to pay for building materials, shipping and erecting one Sukup Safe T home in Haiti during 2021. It was matched by private donor and two homes were built in Haiti in January, 2022.

“No More Thirsty Grant” Partnership Save the Rain, Rotary International, Ankeny Rotary: The TYH Foundation’s continues its commitment to helping Tanzanian children and families access clean water and food. In 2021, Ankeny Rotary selected TYH as its International Cause for its Casino Night and donated \$5300 to TYH for the Save The Rain “No More Thirsty” grant. TYH’s donation was multiplied by a 5 times Rotary International match. It is helping to provide five Tanzanian villages with 50,000 liters of rainwater catchment and storage capacity for drinking and cooking. Each village will receive 30 residential rainwater catchment, and permaculture gardens.

Future 2022-2023.

The TYH foundation will continue to be operated exclusively for charitable and educational purposes. Its primary activities will consist of an annual fund-raising golf event engaging and benefitting the general public in order to meet the TYH mission.
